Dear Representative Briggs King,

The National Federation of Independent Business (NFIB) Delaware SAFE-Trust (Save America's Free Enterprise) Committee is pleased to inform you that we have endorsed your campaign for election to the Delaware General Assembly in November.

Your votes on key small business issues over the last legislative session (2015-2016) indicate you will continue to be committed to the needs of thousands of Main Street small businesses and their employees in Delaware when you are re-elected to serve in Dover. You may use our endorsement in your campaign materials and in the press.

In describing NFIB you may wish to use all or part of the following:

"NFIB is Delaware's and the nation's leading small business association, with representatives in Washington, D.C. and all 50 state capitals. Founded in 1943 as a nonprofit, nonpartisan organization, NFIB gives small and independent business owners a voice in shaping the public policy issues that affect their business. NFIB's powerful network of grassroots activists sends their views directly to state and federal lawmakers through our unique member-only ballot, thus playing a critical role in supporting America's free enterprise system.

NFIB's mission is to promote and protect the right of our members to own, operate and grow their businesses. More information about NFIB is available online at www.NFIB.com."

Thank you for standing with us on the issues important to small business, and best of luck in your campaign. If you have any questions or wish to discuss the use of the endorsement, please contact NFIB/Delaware at (202) 406-4460

Sincerely,
Mike O'Halloran

NFIB/Delaware State Director
